

Great Leaders
Lenin

What?	An economic theory without social classes and private property.			
Where?	The U.S.S.R.		<u>Associated Terms:</u> 1) Proletariat 2) Means of Production 3) Classless society	
When?	1848 & 1917			
Who?	Karl Marx created Communism in his 1848 book the <i>Communist Manifesto</i> .			
Why?	The history of the world is a history of class struggle. Between the Have & Have Nots.			
How it works:	1) The government is made up of a dictatorship of the workers. 2) There is no private property. 3) The workers are the ones who control the means of production.			
Quote:	“Workers of the world unite” Karl Marx 1848			

Great Leaders
Lenin

Who:	Lenin		Associated Terms: <hr/> 1) NEP 2) Bolshevik 3) Soviet Union 4) Marxism 5) Centrally planned Economy
Where?	Russia		
When?	1870-1924		
What?	Led the first successful Communist revolution		
How?	United the workers against the other classes.		
Main Ideas:	1) Took control of Russia 2) Followed the teachings of Marx and made Russia into a Communist state. 3) Centrally planned economy with a measure of free markets (NEP) 4) Punished those who disagreed with Communism with death or exile to Siberia (death by slow freezing)		
Quote:	“Peace, land, bread ” Lenin’s promise to the workers of Russia
