Hinduism originated in India.

- The *Caste System* is the foundation of Hinduism. Rights and privileges based on occupations.
- Hindus believe in many forms of one major god (deity).
- *Vedas* and *Upanishads* are the sacred writings of Hinduism.
- *Karma* = Every action and thought will come back to either help you or hurt you when reincarnated.
- Hindus believe in *reincarnation* (Constant rebirth of one's soul).
